LFS Corporate Update & Engagement

LFS Corporate Update & Engagement

COVID-19 update

- LFS are planning for the safe and progressive transition of our people back to the office after the UK Government announced the easing of COVID-19 restrictions and remain committed to continuing uninterrupted, quality service delivery for the WPP as well as ensuring the ongoing safety of our people.
- A dedicated COVID-19 working group has been formed and it is likely that this will see our people transitioning back to the office gradually over a period of time and with altered work practices to observe all required COVID-19 guidelines.

Our people - we are taking the personal circumstances of our people and the maximum number of people allowed in the office at any one time into consideration in our planning. This will be done in consultation with business needs to ensure that the service delivery to WPP continues to be seamless and uninterrupted.

Preparing the office - the working group will focus on getting the office and our people ready for our return to the office, including physical distancing and increased health and safety protocols.
