1. Policy, Crime & Disorder and Equalities

Pendine Outdoor Education Centre, and its delivery of high quality instruction in a residential setting, aligns with Future Generation and corporate policies in terms of Regeneration, Education, Tourism, sustainability and collaboration.

6. Staffing

Any new delivery model will require the recruitment of specialist Instructors. The number of these will depend on the future operating model (s).

7. Physical Assets

The site has been reviewed due to its current aging facilities. It is estimated that to replace just the accommodation blocks / catering facilities will cost in the region of @£5 million.
