REVIEW OF GAMBLING POLICY

Context

The current Gambling Policy was adopted by the authority in December 2018. The legislation requires it to be reviewed at least every three years to ensure that it reflects feedback from the local community that the statutory objectives are being met.

Consultation

As part of the review, the authority is required to undertake a consultation exercise aimed at the chief officer of Police, representatives of gambling businesses and persons representing the interests of residents and businesses in the area, in order for their views to be formally considered by the authority.

The consultation began on the 25th of October 2021 and finished on the 21st of November 2021. Over one thousand individuals and organisations, including licence holders and their representatives, town and community councils, members of parliament, assembly members, county councillors, council departments and responsible authorities received consultation documents. The responsible authorities include, The Licensing Authority, Dyfed Powys Police, Mid and West Wales Fire and Rescue Service, Gambling Commission, Environmental Health (Pollution Section), Planning Authority, HMRC, Children Services.

The survey was again undertaken using the consultation facility on the Council's web site. This enabled the majority of consultees to be contacted via e-mail, thus reducing the cost whilst increasing the accessibility of the consultation.

The key issues raised as a result of the consultation exercise and review were:-

- No clear evidence that specific areas of the county are suffering with gambling related problems.
- There is evidence of access to gaming machines by under 18's in alcohol licensed premises and improvements to supervision arrangements and staff training are required.

The authority's licensing section in conjunction with the council's legal department have reviewed the policy document in light of the consultation responses. The authority has liaised closely with the Gambling Commission, included hosting a virtual meeting with a representative of the Gambling Commission as well as the licensing sections of, Pembrokeshire, Powys and Ceredigion licensing authorities, with the aim of ensuring as far as possible a consistent approach to the revised Gambling Policy.

The key change to Gambling Policy document include :-

1. Section 21 of the Gambling Policy relating to licensed premises gaming machine permits has been updated to reflect the results of the test purchasing exercise undertaken in 2019.(Page 31)
2. Section 23 of the Gambling Policy relating to Club Gaming Machine Permits has also been updated with good practice advice following the test purchase exercise in 2019.(Page 33)

A revised gambling policy document, incorporating amendments to reflect the relevant consultation responses is attached.
