CHIEF EXECUTIVE'S DEPARTMENTAL BUSINESS PLAN 2022/23

1. BRIEF SUMMARY OF PURPOSE OF REPORT.

COMMUNITY SAFETY

Extract from the Chief Executive's Department Business Plan for the ICT & Corporate Policy Division

Self-Assessment 2021/22

There has been significant development on the partnership approach to embedding the new *Contest Cymru Framework (counter terrorism)* within the Council and across partners. The team also lead on the regional Contest arrangements with a significant amount of engagement with regional and national partners as the work evolves. The introduction of the framework has provided a firmer basis to develop planning with further work to be taken forward during 2022-23.

The team lead on the Council's response to the UK Government Protect Duty consultation and have established the Carmarthenshire Protective Security Preparedness Group which will pave the way for the introduction of the Protect Duty during 2022-23. There is a need to firm up the Carmarthenshire and regional action plans in certain elements of each of the 4Ps (prevent, protect, prepare, pursue) and ensure full engagement and response of relevant services within the Council and across partners going forward.
