EXECUTIVE SUMMARY

Review of Election Fees payable at the County Council and Town/Community Council Elections

The fees payable to the Returning Officer in respect of these Elections and all associated costs relating to them are determined locally and are funded by the County Council and the Town / Community Councils. This includes payments to persons employed by the Returning Officer to undertake the following tasks:

- (i) The preparation, revision and issue of official poll cards;
- (ii) The issue and receipt of postal ballot papers;
- (iii) The verification of the ballot paper accounts;
- (iv) The count; and
- (v) Any other clerical or other assistance for the purposes of the election.

The duties of the RO are separate and one of a personal nature from his/her duties as a local government officer. The RO is not responsible to the local authority but directly accountable to the courts as an independent statutory office holder by virtue of the Representation of the People Act 1983

The County Council has made budgetary provision to cover the costs of holding the local elections on 5th May 2022 in the Revenue Budget Strategy 2022-2025 and there will be full cost recovery for the administration of the Town / Community Council elections.

Scheme for the calculation of the Returning Officer's fees and those undertaking the role of Deputy Returning Officers and other key personnel for the County Council and Town / Community Council Elections:

The following sets out the current rates applied in 2017 (adjusted for estimated pay awards to 2022, together with the proposed scheme for calculating the fee payable to the Returning Officer which is inclusive of payments to those undertaking the role of Deputy Returning Officers and other key personnel involved in the planning and oversight of Local Elections:

	Current Fees	Proposed Fee
County Council Elections		
Contested Ward	£170.56	£170.00
Uncontested Ward	£66.60	£56.61
Postal Votes – fee for despatch and receipt (per contest)	£53.97	Nil
Town/Community Council Elections		
Town/Community Council Elections – fixed Fee	£6,297.30	Nil
Local elections - Contested Ward	-	£170.00
Local elections - Uncontested Ward	-	£56.61
By-election - Contested Ward	£170.56	£170.00
By-election - Uncontested Ward	£66.60	£56.61
Postal Votes – fee for despatch and receipt (per contest)	£53.97	Nil
Fee for general round of Local Elections		
Training Fee	£2,024.00	Nil

The proposed structure of a pre-set fee for each and every contested and uncontested electoral division/community ward at both county and town and community level follows the benchmarking of the rates, with the fee for non-contested elections being set at 1/3rd of the contested election rate.

Fees are not proposed for any other activity undertaken as part of the role, such as training, receiving candidate nominations, oversight of postal vote and poll card despatch, and overseeing the count and declaring results.

If it is assumed that the 2022 elections have the same ratio of contested/uncontested elections, then it would result in a reduction of 43% on the fee payable for the County Election.
