1. Policy, Crime & Disorder and Equalities

The Well-being of Future Generations (Wales) Act 2015 requires public bodies *to take all reasonable steps to meet their Well-being Objectives*.

The **Local Government and Elections Wales Act 2021** places specific duties for the Council:

Duty	Response
Duty to keep performance under review	We will maintain quarterly performance monitoring throughout the year. This report addresses this duty
Duty to report on performance – based on self-assessment approach	We are addressing this duty in our Annual Report on our progress on our Corporate Strategy and Well-being Objectives and as part of our monitoring arrangements. We must self-assess the extent to which we are meeting our ‘performance requirements’: 1. exercising our functions effectively. 2. using our resources economically, efficiently and effectively. 3. governance is effective for securing the above.
Duty to arrange a panel performance assessment	This duty comes into force from May 2022. We must arrange for a panel to undertake an assessment, at least once during the period between two consecutive ordinary elections of councillors to the council, of the extent to which the council is meeting the performance requirements. A report setting out this process will be prepared in the Autumn of 2022
Duty to respond to a panel performance assessment report	

2. Legal

In our published Well-being Statement, we are committed to monitor our Well-being Objective action plans.
