The grant will provide financial assistance towards the construction of industrial and commercial buildings with the primary aim of creating capacity for employment within Carmarthenshire. The funding</li> </ul>	£5,629,289 SPF

aims to meet the financial gap between construction costs and the completed market value of the property.

- Business Renewable Energy Grants Third Party Grant scheme available to businesses throughout Carmarthenshire who are looking to consider their carbon footprint and introduce a renewable energy system to reduce their carbon footprint.
  
- Sir Gar Business Engagement  
The business engagement activity will be based on four elements:
  - Business engagement through sector / theme specific networking promoting the Think Carmarthenshire First approach to encourage spend within County
  - Development of Carmarthenshire inter-trading – linking businesses to each other to support local supply chains
  - Progressive procurement initiative within Carmarthenshire to increase local spend
  - Carmarthenshire wide bursary highlighting pre-start and start-up businesses encouraging entrepreneurship which over time can progress to use of business incubation space / pop up / outdoor markets / town centre properties / industrial units as and where appropriate.
