Introduction

The Welsh [Language \(Wales\) Measure 2011](#) requires Carmarthenshire County Council to produce and publish a policy on awarding grants that ensures that Council-funded organisations operate in a way that is in line with the Council's principles regarding the Welsh language. The Council is expected to pass on to these third party organisations the premiss and principles of the Welsh Language Standards, which is not to treat the Welsh language less favourably than the English language when delivering services, operating, when making policy and keeping records.

Furthermore, adopting and implementing a Policy on Allocating Grants and the Welsh Language is key as Carmarthenshire County Council works to promote the Welsh language in line with the Welsh Language Promotion Strategy 2023-28 and the Well-being of future Generations Act (Wales) 2015. Carmarthenshire County Council will strive to ensure the viability of the Welsh language through its influence on other organisations, through the grant allocation process, across all departments of the County Council.

This policy will ensure consistency in the handling of the Welsh language across the Council's various grants, ensure that we comply with the Standards in the allocation of grants and also equip Council staff to be able to assist third party bodies to promote the Welsh language in their operations effectively.

The policy will align with the well-being of future generations Act, contributing towards achieving a national well-being goal, 'Wales with a vibrant culture where the Welsh language thrives' and Carmarthenshire's Corporate Strategy. It will also be a useful vehicle for implementing the 'More than words' (the government's strategic framework for Welsh in health and social services), as well as elements of the WESP. Finally, it will contribute towards reaching the government's objective of reaching one million Welsh speakers and doubling the use of the Welsh language by 2050.

Policy Context

Welsh Language (Wales) Measure 2011: The Welsh Language Standards

The fundamental principle behind the Welsh Language Standards imposed on Carmarthenshire County Council in September 2015, states that,

references to any activity being carried out by a body, or to any service being provided by a body, are to be read as including a reference to that activity being carried out on the body's behalf or to that service being provided on the body's behalf by a third party under arrangements made between the third party and the body;

Furthermore, the Standards Regulations state that it is the responsibility of the body subject to those Standards to ensure that the third party acts in accordance with the Standards. To this end, the Standards specifically state that the body must consider the impact of awarding grants on the Welsh language:

Standard 94

You must produce and publish a policy on awarding grants (or, where appropriate, amend an existing policy) which requires you to take the following matters into account when you make decisions in relation to the awarding of a grant –

(a) what effects, if any (and whether positive or negative), the awarding of a grant would have on - (i) opportunities for persons to use the Welsh language, and (ii) treating the Welsh language no less favourably than the English language;

(b) how the decision could be taken or implemented (for example, by imposing conditions of grant) so that it would have positive effects, or increased positive effects, on - (i) opportunities for persons to use the Welsh language, and (ii) treating the Welsh language no less favourably than the English language;

(c) how the decision could be taken or implemented (for example, by imposing conditions of grant) so that it would not have adverse 30/03/2016 effects, or so that it would have decreased adverse effects on - (i) opportunities for persons to use the Welsh language, and (ii) treating the Welsh language no less favourably than the English language;

(ch) whether you need to ask the applicant for any additional information in order to assist you in assessing the effects of awarding a grant on - (i) opportunities for persons to use the Welsh language, and (ii) treating the Welsh language no less favourably than the English language.

When implementing the grant awarding process, as well as complying with the Service Delivery Standards relating to communication, the council must also comply with Standards 71-75, which specifically apply to the grant-awarding process,

71 Any documents that you publish which relate to applications for a grant, must be published in Welsh, and you must not treat a Welsh language version of such documents less favourably than an English language version.

72 When you invite applications for a grant, you must state in the invitation that applications may be submitted in Welsh and that any application submitted in Welsh will be treated no less favourably than an application submitted in English.

73 You must not treat applications for a grant submitted in Welsh less favourably than applications submitted in English (including, amongst other matters, in relation to the closing date for receiving applications and in relation to the time-scale for informing applicants of decisions).

74 If you receive an application for a grant in Welsh and it is necessary to interview the applicant as part of your assessment of the application you must - 30/03/2016 (a) offer to provide a translation service from Welsh to English to enable the applicant to use the Welsh language at the interview, and (b) if the applicant wishes to use the Welsh language at the interview, provide a simultaneous translation service for that purpose (unless you conduct the interview in Welsh without a translation service).

75 When you inform an applicant of your decision in relation to an application for a grant, you must do so in Welsh if the application was submitted in Welsh.

Administering the Grant-awarding Process in accordance with the Standards

Raising awareness of a fund or grant program

When promoting a new grant fund, or raising awareness of new closing dates or new rounds of grant funding, we will ensure that we promote through the medium of in Welsh, to the same standard and the same time as in English. In all communication channels, including social media, a Welsh language publicity will be released at the same time as in English. Similarly, when communicating by mass email or letter, we do so bilingually, with Welsh appearing first.

When advertising for applications, we will state that we welcome Welsh applications and that any Welsh applications will be treated the same as English applications, using this statement, 'An application form may be submitted in Welsh and any application submitted in Welsh shall not be treated less favourably than a request submitted in English'.

Process administration: Paperwork

We will offer Welsh versions of all paperwork related to a grant application process to all organisations at the first point of contact, to encourage people to apply through the medium of Welsh. We will ensure that grant details, application forms and any additional information are available in Welsh and there will be a statement on the English paperwork to state 'This document is also available in Welsh'. At the initial contact, we will establish the organisations' preferred language and ensure that we provide them with everything in Welsh unless we know that they do not wish to receive a Welsh version.

Process administration: communication

We will communicate bilingually on first contact with each organisation. Following the first contact, we will offer to communicate in Welsh at every opportunity when discussing verbally with staff or volunteers of the organisations. We will communicate in writing bilingually, unless we know that they do not wish to receive communication in Welsh. This sentence will be included on each email or letter 'You are welcome to communicate with us in Welsh'.

When communicating with organisations, we will explain the context of this policy and the support available to them in terms of the Welsh language when applying for any grants. We can refer potential applicants to the bodies and

resources indicated on page 13 and tailor the support according to the applicants' situation.

Process Administration: assessment and monitoring

We will offer a Welsh-medium interview if there is to be an interview, and a Welsh-medium interview with simultaneous translation service if it cannot be conducted with a Welsh-language panel. We will provide a decision in Welsh on paper or verbally unless we know that the organisation does not require it. We will arrange monitoring visits in Welsh if visits are part of the process, unless we know that the organisation does not require it.

Expectations regarding Welsh language to be passed on to the applicants.

Carmarthenshire County Council will pass on the requirements of the Welsh Language Standards to the applicant bodies by ensuring that they:

- Administer
- Plan Services
- Deliver Services

in a way that treats Welsh as favourably as English.

- Ensuring that they instigate positive effects on people's opportunities to use Welsh and on not treating the Welsh language less favourably than English in Carmarthenshire.
 - We will provide suggestions on how to achieve the above in the guidance documents to potential candidates,
 - We will ask for applicants' commitments to fulfil the above on the application form,
 - We will transfer the agreed commitments to the successful applicants in the 'Grant Offer Letter' or 'Terms and conditions'.

*The wording to be included in the candidate paperwork is in blue.
