

Phase 2 - Scoring priorities for Scrutiny

Score	Importance	Impact	Score
0	<p>No evidence that the issue/topic is linked to the Council's corporate objectives and priorities</p> <p>There is little public concern</p>	<p>There are no identified benefits that are likely to result from a review by Scrutiny</p>	0
1	<p>There is no evidence of links to the Council's aims and priorities</p> <p>An ongoing area of public concern that falls within the Authority's remit</p>	<p>Minor potential benefits can be identified that would affect one ward/customer or client group</p>	1
2	<p>Some evidence of links to the Council's key corporate objectives but they may be indirect and the topic is not related to current corporate priorities</p>	<p>Minor potential benefits that may affect two or more wards /customers / client groups</p> <p>Moderate potential benefits which would affect one ward /customer / client group</p> <p>Potential identifiable benefit to an individual service area within the Council</p>	2
3	<p>Good evidence of links to the Council's key corporate objectives and priorities</p> <p>There is evidence that the issue is of public concern</p>	<p>Moderate potential benefit that may affect two or more wards /customers / client groups</p> <p>Substantial potential benefit which would affect one ward /customer / client group</p> <p>Potential identifiable benefit to department / directorate service area within the Council</p>	3
4	<p>Strong evidence of links to the Council's key corporate objectives and priorities</p> <p>There is evidence of a high level of public concern</p>	<p>Significant potential benefits for a significant proportion of the community</p> <p>Substantial potential benefits for the Council as a whole</p>	4
