### 1. Policy, Crime & Disorder and Equalities

The Well-being of Future Generations (Wales) Act 2015 requires public bodies to take all reasonable steps to meet their Well-being Objectives.

The Local Government and Elections Wales Act 2021 places specific duties for the Council:

Duty	Response
Duty to keep performance under review	We will maintain quarterly performance monitoring throughout the year. This report addresses this duty
Duty to report on performance – based on self-assessment approach	We are addressing this duty in our Annual Report on our progress on our Corporate Strategy and Well-being Objectives and as part of our monitoring arrangements.
	We must self-assess the extent to which we are meeting our 'performance requirements':  1. exercising our functions effectively.  2. using our resources economically, efficiently and effectively.  3. governance is effective for securing the above.
Duty to arrange a panel performance assessment	This duty comes into force from May 2022. We must arrange for a panel to undertake an assessment, at least once during the period between two consecutive ordinary elections
Duty to respond to a panel performance assessment report	of councillors to the council, of the extent to which the council is meeting the performance requirements.

#### 2. Legal

In our published Well-being Statement, we are committed to monitor our Well-being Objective action plans.
