# Introduction

I have now largely completed my planning work.

This Audit Plan specifies my statutory responsibilities as your external auditor and to fulfil my obligations under the Code of Audit Practice.

It sets out the work my team intends undertaking to address the audit risks identified and other key areas of focus during 2024.

It also sets out my estimated audit fee, details of my audit team and key dates for delivering my audit team's activities and planned outputs.

**Adrian Crompton**

Auditor General for  
Wales

## Audit of financial statements

I am required to issue a report on your financial statements which includes an opinion on their 'truth and fairness' and whether the statements have been 'properly prepared'. I will also report by exception on a number of matters which are set out in more detail in our Statement of Responsibilities.

I also have responsibility to receive questions and objections to the financial statements from local electors (additional fees will be charged for this work, if necessary).

I do not seek to obtain absolute assurance on the truth and fairness of the financial statements and related notes but adopt a concept of materiality. My aim is to identify material misstatements, that is, those that might result in a reader of the accounts being misled. The levels at which I judge such misstatements to be material is set out later in this plan.

There have been no limitations imposed on me in planning the scope of this audit.

# Your audit at a glance

**My financial statements audit will concentrate on your risks and other areas of focus**

My audit planning has identified the following risks:

Significant financial statement risk

- Risk of Management Override

## Materiality

Materiality	£31.367 million
Reporting threshold	£1.568 million

# Financial statements' materiality

**Materiality £31.367 million**

My aim is to identify and correct material misstatements, that is, those that might otherwise cause the user of the accounts to be misled.

Materiality is calculated using:

- 2022-23 actual gross assets of £3,137 million
- Materiality percentage of 1%

I report to those charged with governance any misstatements above a trivial level (set at 5% of materiality i.e. £1.568 million).

**Areas of specific interest**

There are some areas of the accounts that may be of more importance to the user of the accounts, and we have set a lower materiality level for these:

- Key Management Personnel £1,000
- Related party disclosures £10,000 (Individuals), £31.367 million (Other Bodies)

# Significant financial statements' risks

Significant risks are identified risks of material misstatement for which the assessment of inherent risk is close to the upper end of the spectrum of inherent risk or those which are to be treated as a significant risk in accordance with the requirements of other ISAs. The ISAs require us to focus more attention on these significant risks.

## Exhibit 1: significant financial statement risks

Significant risk	Our planned response
<p><b>Risk of Management Override</b> The risk of management override of controls is present in all entities. Due to the unpredictable way in which such override could occur, it is viewed as a significant risk [ISA 240.32-33].</p>	<p>The audit team will:</p> <ul style="list-style-type: none"><li>• test the appropriateness of journal entries and other adjustments made in preparing the financial statements;</li><li>• review accounting estimates for bias; and</li><li>• evaluate the rationale for any significant transactions outside the normal course of business.</li></ul>

# Other areas of focus

I set out other identified risks of material misstatement which, whilst not determined to be significant risks as above, I would like to bring to your attention.

## Exhibit 2: other areas of focus

Audit risk	Our planned response
<p>The investments balance contains a mix of investments which are complex to value and there is subjectivity in their valuation.</p> <p>There is therefore a risk that the investments balances are materially misstated.</p>	<p>The audit team will:</p> <ul style="list-style-type: none"><li>• agree the valuations to appropriate supporting documentation;</li><li>• review 'control assurance' reports from the relevant fund managers; and</li><li>• evaluate the risk of residual material misstatement and the need for additional audit procedures.</li></ul>

# Financial statements' audit timetable

I set out below key dates for delivery of my accounts audit work and planned outputs.

## Exhibit 3: key dates for delivery of planned outputs

Planned output	Work undertaken	Report finalised
2024 Audit Plan	March to May 2024	May 2024
Audit of financial statements work: <ul style="list-style-type: none"><li>• Audit of Financial Statements Report</li><li>• Opinion on the Financial Statements</li></ul>	July to November 2024	November 2024

# Fee and audit team

In January 2024 we published our [Fee Scheme](#) for the 2024-25 year as approved by the Senedd Finance Committee. My fee rates for 2024-25 have increased by an average of 6.4% as a result of unavoidable inflationary pressures and the ongoing need to invest in audit quality.

I estimate your total audit fee will be £38,424.

Planning will be ongoing, and changes to my programme of audit work, and therefore my fee, may be required if any key new risks emerge. I shall make no changes without first discussing them with officers.

## Our financial audit fee is based on the following assumptions:

- The agreed audit deliverables sets out the expected working paper requirements to support the financial statements and includes timescales and responsibilities.
- No matters of significance, other than as summarised in this plan, are identified during the audit.

## Exhibit 4: breakdown of audit fee

Audit area	Proposed fee for 2024 (£) <sup>1</sup>	Actual fee for 2023 (£)
<b>Audit of Financial Statements</b>	38,424	36,113
<b>Total fee</b>	<b>38,424</b>	<b>36,113</b>

## Statutory audit functions

In addition to the audit of the accounts, I have statutory responsibilities to receive questions and objections to the accounts from local electors. These responsibilities are set out in the Public Audit (Wales) Act 2004:

- Section 30 Inspection of documents and questions at audit; and
- Section 31 Right to make objections at audit.

As this work is reactive, I have made no allowance in the estimated audit fee. If I do receive questions or objections, I will discuss potential audit fees at the time.

<sup>1</sup> The fees shown in this document are exclusive of VAT, which is not charged to you.

The main members of my team, together with their contact details, are summarised in **Exhibit 5**.

# Audit quality

Our commitment to audit quality in Audit Wales is absolute. We believe that audit quality is about getting things right first time.

We use a three lines of assurance model to demonstrate how we achieve this. We have established an Audit Quality Committee to co-ordinate and oversee those arrangements. We subject our work to independent scrutiny by QAD\* and our Chair, acts as a link to our Board on audit quality. For more information see our [Audit Quality Report 2023](#).

## Our People

The first line of assurance is formed by our staff and management who are individually and collectively responsible for achieving the standards of audit quality to which we aspire.

- Selection of right team
- Use of specialists
- Supervisions and review

## Arrangements for achieving audit quality

The second line of assurance is formed by the policies, tools, learning & development, guidance, and leadership we provide to our staff to support them in achieving those standards of audit quality.

- Audit platform
- Ethics
- Guidance
- Culture
- Learning and development
- Leadership
- Technical support

## Independent assurance

The third line of assurance is formed by those activities that provide independent assurance over the effectiveness of the first two lines of assurance.

- EQCRs
- Themed reviews
- Cold reviews
- Root cause analysis
- Peer review
- Audit Quality Committee
- External monitoring

\* QAD is the quality monitoring arm of ICAEW.
