# EXECUTIVE SUMMARY

## Code of Conduct Data 2023-2024

The annual code data exercise took place between May and July 2024. The exercise was again carried out using the SnapSurveys software.

66 responses were received from the 72 councils asked to provide data. A small number of Councils experienced difficulties with the survey software but this did not seem to be an issue for the majority.

A detailed analysis of the survey responses, along with other relevant code of conduct data for the year is attached.
