TASK & FINISH REVIEW:

The Committee at its FWP Development Session held on 9th April 2021, considered a topic suggestion received from Llandyfaelog Community Council suggesting that the Committee consider the issues in relation to fly-tipping in Carmarthenshire.

Committee Members recognised that fly tipping was an increasing problem in Carmarthenshire and that the consequence of fly-tipping had a detrimental effect on the environment and communities. Following initial discussions with officers, the Committee agreed in principle to undertake a short, focussed Task and Finish review on the internal processes and operational issues of fly-tipping on public and private land in Carmarthenshire.

The Committee agreed that due to the short review period, the Task and Finish review on the fly-tipping subject would be undertaken prior to the *Dog Breeding Task and Finish and following the completion of the current Task and Finish review on FESS. The Committee will consider its Task and Finish arrangements for 2021/22-23 at its meeting on 18th May 2021.

**This decision would supersede the Committee's decision made at its meeting held on 15th November 2019, unanimously resolved that dog breeding in Carmarthenshire be the subject for Committee's next Task and Finish review in 2021.*
