Starting Time

Work full time. Feel it unfair preferences of retired members take precedence over full time workers who have no choice!

To enable working members to participate fully in Council business holding meetings in the evenings starting at 6pm (maximum three hour duration as at present) would be of benefit during

Morning meetings that normally finish by lunchtime free up the rest of the day and also allow you to attend to the concerns of constituents .

Employment partly but am meeting should leave time later in the day for other activities etc

Afternoon meetings would allow me to work during the busy time of business, rather than taking a whole day off

My business operates in the evening mainly so day time is perfect for me.

10.00 o'r bore ac weithiau am 1.00 neu 2.00 y prynhawn. Nid wy'n ffafrio cyfarfodydd yn yr hwyr gan bod gennyf 5 cyngor cymuned a gweithgareddau amrywiol eraill yn cymryd lle yn y Ward.

Gwell cynnal cyfarfodydd yn foreol.

I am employed full-time, I am taking flexi and leave at the moment to attend meetings and training but I will want to have some leave and I don't want to run out of leave.

10am as to the meeting being productive with no pressure on time especially if there are serious issues to deal with and if not we have the ability to planning the rest of the day. T

Employment/ caring

Dwi'n gweld bod 10yb yn addas ac yn rhoi amser i bobl drefnu ei hun. Stim ots gen i os yw e ar zoom neu mewn person.

Fel y presenjol

Gan fy mod yn gweithio'n rhan-amser byddai cynnal rhai cyfarfodydd ar ôl 5 y prynhawn yn fwy cyfleus

To be flexible and attempt to cater for others.

Nid oedd yn bosib nodi amserau dechrau gwahanol ar gyfer gwahanol ddiwrnodau. I fi mae pob diwrnod gwaith yn wahanol er engraifft... Byddaf yn gweithio, ond nid yn dysgu, ar ddydd lau

I work part time and am only off on a Wednesday to attend meetings. I would be available for Zoom Calls at 6pm in the evening.

Some councillors are unable to attend due to work during the typical 9-5 day. At least some meetings of scrutiny should be early evening. Alternate ?

Am nad oes swydd arall gen i, mi fyddem yn hapus i ddechrau cyfarfodydd unrhyw amser - efallau bydde dechrau Cyngor llawn am 9yb yn helpu rhai aelodau, ar y llaw arall bydde cyfarfodydd

10:00 or 14:00

I have 2 daughters in school so 10 am start is perfect as it gives me a chance to get them to school, and be available for the on their return home. They also do music and ballet after s

Employment & childcare

Best start the day with a meeting early enough so that we have the rest of the day for business.

Should have some meetings in evening

By starting at 10am, this then frees up the rest of the day for any community work.

Meeting availability depends on work commitments

As I would prefer a physical meeting at Carmarthen a 10am start would allow sufficient time for travel etc

Cynharaf yn y bore gore gyd i fi oherwydd gwaith. Oes rhaid cael toriadau tê/ coffi ayyb?

10am a 2pm yn gyfleus iawn. Mae cyfarfodydd nos yn anodd gan bod gen i 6 ward cymunedol sy'n cynnal cyfarfodydd cyngor tref/cymuned, cyfarfodydd neuadd a phob cymdeithas arall gyda'r nos

Locations

Be nice to have the occasional meeting in Llanelli

Shared locations as and when needed with the majority of meetings held in the hybrid system

County Hall, Carmarthen. Good meeting facilities. Carmarthen is central and County hall has adequate parking facilities.

Zoom or hybrid meetings would be Beneficial. Whilst attending personally I think is essential some of the times having the other option would be useful

I am happy with both forms but feel more discussion available face to face

Where possible, I'd like to see hybrid scrutiny and committee sessions promoted

Easy to zoom in

Nid oes gennyf wahaniaeth. Er hynny, dwi'n teimlo fyddai tua hanner o gyfarfodydd ar lein a hanner yng Nghaerfyrddin yn ddelfrydol.

Zoom / Teams. Rhwyddineb, arbed tramwyo, arbed amser

If not Zoom then Carmarthen is easiest option for me

Hybrid if needed. however there is a need to be face to face on occasions where interaction to ideas and goals.

Employment

Mae angen i rhoi ohonom fod yn Neuadd y Sir er mwyn cyfathrebu'n effeithiol gyda swyddogion, ond mae'n hefyd yn bwysig cymysgu gyda'n gilydd.

I have indicated that my preferred location is Carmarthen because I would prefer where possible to attend meetings in person rather than via zoom. It would be valuable however to consider

Neuadd y Sir

Mae cael yr opsiwn hybrid i ymuno a chyfarfodydd yn hwyluso trefniadau'n fawr ag yn galluogi ymuno a chyfarfodydd pe bai achos i fethu ymuno wyneb-yn-wyneb e.e. salwch neu gofal teuluol

To limit travel

I feel it would be best to hold planning meetings in County Hall as some members have internet problems, but more important as we have seen in the last 2 years objectors, out side spea

We do not have a choice on this survey. It is either / or zoom or Carmarthen. I do not mind either. There was not a flexible option Don't mind. Prefer Full council in person and Planni

Dim pob cyfarfod yn Siamber!!! gall pwyllgorau gael eu gwneud o adre a chyfarfodydd fel y cyngor llawn i fod or Siamber ac adre, Bydd medium dewis o fudd i bawb ac mi ddylau sicrhau gwel

I think that we should have merged meetings where people could go to Carmarthen or Zoom

Joining meetings remotely reduces my carbon footprint and means I can be available at home should my children be unwell or during holidays,

Employment & childcare

We need some meetings at County to discuss important issues as a team face to face. Hybrid is OK as long as we can get cohesion and the chance to debate. Face to face is vital to bring t

I would have clicked hybrid meetings but there was not this choice.

Angen rhoi'r gorau i'r trefniant cwota aelodau grwpiau i fod yn y siambr ar unrhyw adeg ar unwaith (fel yn y cyfarfod cyffredinol blyneddol). Dylai'r dewis fod yn un personol i'r aelodau

Hybrid makes sense at every level.

Should have choice

Cuts out any technical problems that may arise.

Depends on work commitments

Locations

Feel physical meetings are required as whilst zoom meetings can be useful it is not the same as actually being in the room. Appreciate that zoom would work better for some members, there

Gwell gennyf yn Neuadd y Sir o ran awyrgylch ond sdim gwahaniaeth a dweud y gwir.

I mi mae'n bwysig bod yn y siambr os ydych yn Cadeirio neu'n Is-gadeirio. Fel arall mae ymuno ar ZOOM yn golygu y gallwn reoli ain hamser llawer gwell a pheidio bod yn gyrru nol a mlaen

Committee Cycle

Good as it is.

Current cycle seems to work well

The current Committee cycle is not too frequent and not too long between meetings. It allows officers to produce reports within an acceptable time frame. Why change something that isn't br

Think the existing frequency should be right. If the frequency was increased the workload would increase and the meetings would essentially just take longer

Happy with the cycle

No experience so I wouldn't feel confident to recommend change

Er mwyn bod yn effeithiol roeddwn i yn hapus gyda'r cylch y cyfarfod craffu. Yn hanesyddol, roeddent yn wahanol i'r hyn a nodir. Mae'r Pwyllgor Cynllunio wedi bod yn cyfarfod bob 12 d

Fel mae ar hyn o bryd.

I am new so selected the current timings as not ready to comment

The cycle must fit in with the operational standards of service of the county staff. To support them in delivering that standard. Each Committee must be tailored to meet that necessary

Employment

mae nhw'n berffaith.

Fel presennol

Mae angen i'r pwyllgorau gwrdd digon rheolaidd fel nad yw'r cyfarfodydd yn hir iawn ond heb fynd i gynnal gormod o gyfarfodydd nad sydd angen. Cyfarfodydd effeithlon sydd eu hangen.

Satisfied with current cycle which has proven to be flexible if needs be.

Planning should meet more often as it holds up the economy. If only one application then zoom it rather than wait four more weeks and maybe not fit on the agenda.

Hapus

4 weekly for Scrutiny to reduce volumes

I am happy for the cycles to remain as not yet experienced enough to make an informed judgement on changes.

Firstly It is imperative to look at the operational performance of the County and their operational procedures their "performance" to meet expected standards to deliver a quality service

Happy as is

Some should be more frequent as 8 weeks for some is too long in between and then too much crammed in to meetingb

No previous experience so nothing to compare against

Fel bo angen

Mae'r Pwyllgor Cynllunio'n cwrdd bob pythefnos fel rheol. Mae'n rhaid cynnal hyn i gwrdd a'r angen i benderfynu ceisiadau o fewn ein targedau. Efallai y dylai'r Pwyllgor Safonau gwrdd y
